TRAVEL TIPS

WHEN TO GO

The summer months between June and August are when Greece comes alive. Athens can tip the thermometer over the 30-degree mark, making the Mediterranean, Aegean and Ionian seas look so appealing. Follow the crowd and head to the coastal islands where the sultry daytime air is offset by cool, nightly sea breezes. A word of warning though – if you're looking for a quiet holiday away from the crowds, this isn't the season for you!

April to May and September to November are the most comfortable times to travel. Days are warm and less humid, nights are cool and there are fewer tourists. Sightseeing, especially walking through archaeological sites, is not too taxing during these months and you can capture the moment without capturing too many strangers in your photos!

Winter is generally very quiet with many hotels and attractions closing between December and February. Snow falls, although rare, are not unheard of in Athens.

THE GREEK ISLANDS IN WINTER

From October to April most of the Greek islands close down for tourism with the exception of Crete and Rhodes. The hotels and taverns in the main centres of Crete and Rhodes remain open while many of the resort hotels will close.

LANGUAGE

Greek is the official language of Greece. English is generally spoken in major cities and tourist areas.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Greece has countless amazing things to see and do. Here are some of our favourites to inspire your wanderlust.

Athens

Temple of Poseidon, Sounion

ATHENS

This vibrant capital is the heart of Greece, combining the old and new. Archaeological sites scattered throughout the city sit alongside brand new cultural centres and buildings. The ancient citadel, the Acropolis is positioned high above Athens and can be seen from every corner of the city. Visit the historic Panathenaic Stadium where the first modern Olympic Games were held. Wander the labyrinth of old streets of Plaka, visit treasure filled museums and soak up the atmosphere in a street café.

ANCIENT RUINS

Greece offers a host of ancient ruins and archaeological sites. Athens is home to the famous Parthenon, Temple of Zeus and Acropolis and it's almost impossible to walk through the city without discovering yet another archaeological site. The ancient Temple of Apollo at Delphi, the ruins at Olympia and the Temple of Poseidon on Cape Sounion are some of Greece's most widely recognised historical attractions. Many sites can also be found on the Greek islands of Delos, Crete and Mykonos.

Chania, Crete

ISLAND HOPPING IN GREECE

Greece's fabulous islands all offer a unique experience, from rest and relaxation to all night partying and many feature historical and archaeological sites. Accessing these islands is a breeze, with ferry services connecting many of the islands within their main group. Island groups include the Cyclades, Ionian and Dodecanese Islands, among others. Since almost all ferries conveniently depart from Piraeus, just outside of Athens, island hopping is a must for any Greek holiday itinerary.

Santorini

Built in 161AD, the Odeon of Herodes Atticus is now one of the best places to experience a live classical theatre performance

HEAVENLY BEACHES

It's practically unheard of to visit Greece without including some serious beach time. The Aegean, Ionian and Mediterranean Seas provide the ideal flop and drop destinations with postcard scenery and warm, blue water. With its white cliffs and iconic shipwreck, Navagio Beach on Zakynthos is a popular place to bask in the sun. Balos Beach in Crete beckons with its brilliant white sandy beach and turquoise water.

Navagio Beach, Zakynthos

WINE & DINE

You'll be in foodie heaven in Greece. Greece offers a plethora of seafood, regional specialities and decadent sweets. Whether fine dining or sampling street food, one thing is for certain – wherever you go, the food will be plentiful, fresh and tasty. Greece is well known for its diet rich in seafood, olives and vegetables. While chowing down, don't forget to drink like a local, sampling Greece's own brands of beer, wine and spirits.

UNESCO SITES

There is no shortage of UNESCO World Heritage Listed Sites in Greece which is home to 18 sites including the instantly recognisable Acropolis in Athens, the unspoiled Medieval City of Rhodes and the stunning natural landscapes of Meteora. The Old Town of Corfu includes three forts dating back to the 8th century BC and Thessaloniki's Paleo Christian and Byzantine Monuments are a fine example of early religious art.

The Cyclades

ISLAND HOPPING

The Greek Islands are perfection. The sun-kissed outcrops of dramatic rocks, glimmering sea, white-washed houses and golden beaches, together with great nightlife and lazy days, make the Greek Islands irresistible. Our Greek Island Hopping packages have been designed so you can experience the beauty of the many island groups. Combine a visit to Athens with a stay on one or several islands of the Cyclades or discover the many archaeological sites dotted throughout the Dodecanese group. There's no better way to discover the islands than on a Greek Island Hopping package.

TAILOR MADE ISLAND HOPPING

If you want to explore the Greek Islands at your own pace, we can create a unique tailor-made island hopping itinerary. Whether it is to include the iconic must-see islands, cultural experiences, or the discovery of hidden gems, we can make your dream Greek Island holiday a reality.

GETTING THERE

The most popular way to travel between the Greek Islands is by local ferry. Take in the spectacular scenery and crystal clear water, as you transfer from Athens to some of most idyllic island holiday destinations. Ferries depart from Piraeus, Athens and between many of the islands.

Domestic flights are also a popular and faster way to access the Greek Islands. Direct flights operate between the islands and from Athens.

The three different ferry types: Seajets provide the best option for island hopping with their fleet of high-speed hydrofoils and sleek, high-speed ferries providing the fastest and most direct way to travel between islands.

An alternative option is to use fast ferries which offer a choice between economy and business-class travel. Schedules are subject to change and additional stops may be added without prior notice.

Slower ferry services are available, but the standard of service is much less than Seajets or the fast ferries.

HOW TO BOOK

Contact your ATAS travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was produced on 6 September 2024. Unless otherwise stated, prices are in Australian dollars and include GST where applicable. Exchange rates used when pricing this brochure are as at 27 August 2024. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Prices are to be used as a guide only. Accommodation prices are based on the lowest room category in low season. All other prices are based on travel in low season. Some prices are based on dynamic rates, which means the price may be higher or lower than the advertised price if the price has been varied by the supplier after this brochure was printed. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, or increases to taxes. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur. All errors and omissions identified post the date of publication are notified to our retail partners to advise you. Please check with your agent for all up-to-date corrections, including prices and inclusions.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified at the time of booking if any additional deposit is required. All deposits are non-refundable for changes of mind or cancellations by you (subject to your rights under the Australian Consumer Law).

Final Payment

Final payment of your holiday cost is required no later than 30 days prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services may require full payment at the time of booking. For bookings made less than 31 days prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Viva Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Viva Holidays.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Fees may vary depending on card type. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to Final Payment

Your deposit is forfeited.

After Final Payment

There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After Travel

There will be no refund if you cancel your booking once travel has commenced. There will be no refund for unused services, except for OPEN DATED services where the service was not booked with the Supplier. Requests for refunds received more than 6 months after departure date will not be accepted.

Should a refund after departure be approved, a \$110 refund processing fee will apply.
